

Truckee Boy Dies After Car Mishap; 14 Accidents Here

Six Students Are Hurt In Car Crash

Six students of the Tahoe Truckee High School here had a narrow escape Monday morning at 8:45 o'clock when a car in which they were riding got out of control and after skidding over 300 feet and rolling three times, came to rest on its wheels.

The mishap occurred four miles south of Truckee on the Tahoe City road.

The car, driven by George Franklin Jr., 16, Homewood, evidently struck a rock on the road and got out of control. State Patrolman Roy Stallard cited the driver for speeding.

John Moore, 15, Tahoma, had a fractured collar bone and the other five escaped with bruises and lacerations. They were Patsy Hicks, 15; Dolores Danley, 15; Stanley Martin, 15; Dale Rich, 15, and Franklin.

All were treated by Dr. L. D. Nelson and returned home.

Donner Mishap
June Dowd, 33, Reno, suffered minor injuries when a car driven by William T. Riley, 24, Reno, and a P.I.E. truck operated by Don A. Phelps of Oakland collided on Donner Bridge.

Rear End Crash
Robert Marshall, 19, Price, Utah, and Troy Hudson, 39, San Jose, were hurt Sunday evening at Hampshire Rocks when a car driven by Jerry K. Marshall, 28, Del Paso Heights, ran into the rear of one driven by Rex E. Stickle, 31, San Jose.

Improper Turn
Clifford R. Johns, 55, San Jose, was cited for making an improper turn Friday morning following a collision with John H. Mansker, 22, Richmond, at the Tahoe-Truckee Wye just west of here. Ruth Johns, 56, and Lois Rogers, 28, both in the Johns car, were taken to a Reno hospital by the Truckee ambulance for treatment.

Drunk Driving
Buford F. Lynn, 42, Alameda, was cited for drunken driving after a car he was operating crashed into the bridge five miles east of Truckee on Friday morning at 9:30 o'clock. He was accompanied by Billy K. McHurd, who was charged with violating the county sobriety ordinance. Both appeared Monday before Justice of the Peace R. N. Little. Lynn was sentenced to pay \$400 or spend 180 days in jail and his driver's license was suspended for one year. McHurd was sentenced to pay \$150 or spend 75 days in jail.

Floriston Wreck
Mr. and Mrs. General T. Upton, Oakland, were not injured but their car was badly damaged when it was struck by a Western Oil and Burner Company truck driven by Leonard Brokatt, 45, Sacramento, a mile west of Floriston on Saturday afternoon. State Patrolman William Gautsche cited the truck driver for being on the wrong side of the road and not using due caution.

Pedestrian Hit
Norval Fairman of Berkeley, a pedestrian, was struck and injured by a car driven by Robert Snyder of Tahoe City near Kings Beach Saturday morning at 1:20 o'clock. There was no citation issued.

Boy Cited
Ronnie Sanford, 15, Tahoe City, was cited by Patrolman Gautsche Sunday night at 10 o'clock when a pickup truck he was driving ran into the rear of a car operated by Thomas F. McCanna, 35, San Francisco, at the bridge in Tahoe City. Sanford was cited for not having a driver's license and driving without due caution. Sanford was injured.

Ran Off Road
Kenneth Hubbard, 25, and Carol Guido, 21, San Mateo, were injured Sunday afternoon when a car driven by the former ran off the highway near Crampton's on Donner Summit. Patrolman Roy (Continued on Page 8)

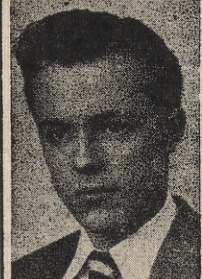

Helga Olander Is Opening Resort
Mrs. Helga Olander, former resort owner at Lake Tahoe, is opening a Swedish restaurant at Los Altos this month, according to her son-in-law and daughter, Mr. and Mrs. Bill DeCarlo, owners of the Swedish Farmhouse at Tahoe City. Mrs. Olander, who is a caterer of long experience, will call her new place Torpet, which means, from freely translated, Little House.

Funeral Saturday For Dick Loynd

A valiant fight against terrific odds ended this morning with the death in a Reno hospital of Richard E. (Dick) Loynd, 17 year old son of Mr. and Mrs. E. L. Loynd, prominent Truckee residents and business people.

The well known Truckee boy was fatally injured Monday evening when his car and a truck driven by John R. Bissett, 46, Sparks, Nevada, collided head-on a short distance west of Cisco.

The youth suffered a fractured skull, crushed chest, compound fracture of his left leg and profound shock. Every resource known to medical science was employed and on Wednesday evening his condition showed a pronounced improvement. Although he never regained consciousness, he was given a good chance to recover, but the injuries proved too serious and at 5 o'clock this morning he expired.

Dick Loynd

The Truckee Colonial Mortuary is making the funeral arrangements.

Funeral services will be held Saturday at 2 p.m. at Veterans' Memorial Building. Cremation will follow at Berkeley.

Here All His Life

Dick was a native of Richmond, born July 19, 1933, but spent his entire young life in Truckee, where he attended schools and was prominent in athletics and a leader in youth activities. He graduated from the local high school last spring with honors, being editor of the high school annual, as well as class officer and a leader in the Sierra Boys' Conference.

The young man leaves his parents and a sister, Judy, his grandmother, Mrs. Joseph Loynd and was a nephew of Mr. and Mrs. Walter A. Loynd and a cousin of Jimmy and Linda, all residents of Truckee.

Returning Home

Dick was returning home from Sacramento where he had registered for classes at the Sacramento Junior College when, for some unaccountable reason, his car swerved into the path of the heavy west-bound truck. The impact was so great that the lighter vehicle was thrown back over an embankment over 26 feet. It was demolished and it took some time to free the injured boy who was pinned behind the wheel.

State Patrolman Roy Stallard, who removed the youth from the car, said his investigation failed to reveal the cause of the crash. The truck driver was not injured.

The Truckee ambulance was called and N. F. Dolley, Erving Waters, State Patrolman William Gautsche and Dr. L. D. Nelson attended the injured youth as he was rushed to the hospital, plasma and oxygen being administered constantly.

The untimely and tragic death of Dick Loynd was a shock to the entire community where he was known as a clean, upright young man, devoted to his home and family, and a good sport and companion among the younger people of the area. His friends are legion and all will join in extending sorrow and deepest sympathy to his family.

Tahoe Man Winner Of Lions Golf Meet

With 20 entries in the annual Truckee Lions Club golf tournament at Tahoe City on Sunday, Stanley Martin took first place with a score of 58 net, 72 gross and a handicap of 14.

Angelo Besio was second with 61 net, 75 gross and a 14 handicap.

A cocktail hour and barbecue were enjoyed by the Lions and their guests at the club house following the playing. Nearly 100 attended and reported the affair a huge success.

Lodi Firm Wins Park Contract

SACRAMENTO — (W. N. S.) — State Director of Public Works C. H. Purcell has awarded the contract for surfacing park roads and parking areas in Donner Memorial State Park near Truckee to Claude C. Wood Co., Lodi, following the company's bid of \$13,163.50 for the project.

Criminal Record Revealed After Two Held Here

Pleads Not Guilty To
Drunk Driving In
Local Court

With a string of prior convictions that would shock an ordinary citizen, Harold I. Seeburg, 36, who gave his address as Truckee, yesterday entered a plea of not guilty to a drunk driving charge when he appeared before Justice of the Peace R. N. Little and asked for a jury trial.

A second charge of driving a vehicle with a license suspended was also lodged against Seeburg by the California Highway Patrol after Patrolman William Gautsche arrested him and Edward D. Glaze at the quarantine station early yesterday morning.

Two women in the car, Lennie Rogers and Divina Woodward, both of Reno, were not held.

Glaze entered a plea of guilty to a charge of violating the county sobriety ordinance and will be sentenced today by Little. Seeburg's record, according to the police, ranges over a long period and includes a term on Alcatraz for larceny, a burglary sentence at Folsom, five drunk driving charges, contributing to the delinquency of a minor, parole violation, and numerous and sundry other charges.

Gautsche said Seeburg was very uncooperative when taken into custody and put up a fight when taken to jail, where he is now held.

SANITARY DISTRICT TO NAME OFFICERS AT ELECTION HERE

Voters of the Truckee Sanitary District will go to the polls on Monday, September 18, to elect two officers of the district, according to Secretary Fred O. Morris. To be elected will be one member of the five-man board of directors and an assessor.

The two incumbents, Director Nathan S. McCrary and Assessor Reginald E. Smart, have filed for retention in office and have no opposition on the ballot. The director's term is for four years and that of the assessor for two.

The election will be held in the Truckee fire house between the hours of 1:00 and 6:00 p.m. Appointed to the election board are Mrs. Lucile Bick, Mrs. Beverly Wilson and Mrs. Edith Riordan.

FORMER TRUCKEE WOMAN IS DEAD

Word was received here yesterday by Robert Luck that Mrs. Willis T. Delaney, for several years a resident of Truckee, died suddenly at her home in Hayward Monday evening. Funeral services were held this morning at 11 o'clock in Hayward.

Mr. and Mrs. Delaney left here three years ago after the former was transferred by the division of highways to the bay area. Both were well known locally and friends will deeply regret Mrs. Delaney's death.

Kathryn Barrett Is Feted on Birthday

Five pink candles on a heart shaped chocolate cake indicated the age of Kathryn Ann, daughter of Mr. and Mrs. Douglas Barrett at a party given in her home on September 12, the day preceding her birthday.

Games, gifts and serving of refreshments were enjoyed by the following children: Ginger Barnes, Nona Rae Coffey, Patricia Scott, Reggie and Karen Smart, Barry and Marcia Leamon, Winnie Anderson and Kathryn's sisters, Sheila, Phyllis and Patricia.

Visit Mrs. Stewart — Dr. and Mrs. Francis Barnes and Mrs. Bessie King were recent visitors with Mrs. Hannah

From South — Jim Garibaldi of Burbank visited local friends this week.

Sun Beams by Walter M. Barrett

It would be foolish for us to say that the lack of enforcement of traffic laws on the eastern section of Highway 40 in California is resulting in an increased number of accidents. That may or may not be the cause, but we do know that there is a terrific increase of accidents and that violations are entirely too frequent. At the present time the Truckee squad of the California Highway Patrol numbers exactly three men, one of whom is currently on vacation, leaving a total of two, each working 40 hours a week. It is not hard to figure the coverage available with 168 hours in a week and patrolmen employed to cover 80 hours of that time. It means that the two men must patrol from Rainbow to the Nevada state line and all of North Tahoe, be on constant call in event of accidents or trouble during their time off duty, and carry a load which a few short months ago kept five men and a sergeant busy on a 48-hour weekly schedule. Having discussed the shortage of men with area officials, it is evident that the fault does not lay there but with state patrol headquarters. It is strange indeed that with the patrol personnel greatly enlarged during recent years, and with nearly double the traffic over Highway 40 in the same period, that the Truckee squad should be cut from six to two men during the height of the travel period. Over the Labor Day holiday period, nearly 9,000 cars — not including east bound traffic nor local vehicles traveling to Reno and back to California — were checked at the quarantine station. Three men were supposed to patrol the area and keep the highway safe 24 hours a day. This portion of highway, so important in the state's system, is just as entitled to police protection as any in the system.

GERTRUDE SMITH HONORED HERE AT BRIDAL SHOWER

Miss Gertrude Smith was the guest of honor at a miscellaneous bridal shower given in the home of Mrs. N. S. McCrary on Wednesday evening, with Mesdames McCrary, R. McCrary, John Rablin, Kenneth Faulkner, and A. L. Davidson as co-hostesses.

Miss Smith, who is engaged to be married to John Rablin, was the recipient of many lovely and useful gifts for their future home. Appropriate games were played and dainty refreshments were served during the party hours.

The guests invited included Mesdames Earl Stice, Eliza Campbell, Alice Quilici, Varian Waters, Alice Rau, Alice McGee, Frances Kamp, Thelma Foss, Alice Spratt, Barbara Phipps, Ida Grack, Laura Gaennie, Melba Giovannoni, C. Edmunds, Heslin Cardinal, Laura Smith, Clara Zinsmeister, E. L. Loynd, Harold Langille, Sam Costa, Joe Copeland, Irene Englehart, Dorothy Goldsmith, Beverly Wilson, Annie Tonini, Ola Tonini, Yolanda Olano, Bonnie Costa, Vesta Mellon, Estelle Englehart, Carl Painter, Winifred Kamp, Hannah Stewart, Alice Peterson, E. Bavier, Lucile Bick, S. Follett, E. Parker, Stella Thomas, Jeanne Pace, Vina Clepper, Jacqueline McGlade, Miriam Zwarg, Bea Perkins, O. J. Rablin, A. Firpo, Maude Gaffield, Althea McGinnis, Marie Street, Rose Waters, Louis Dumas, Elsie May, A. Mahne, Walter Barrett, Mel Thornton, H. Ciardella, Jay Clark, Lloyd Clark, David Rose, Gertrude Stone, H. G. Loehr, C. B. White, Eula Brown, Dorothy Leamon;

The Misses Thelma Finger, Margaret Davidson, Betty Parkhurst, Menia Moretta, and Mesdames M. Canady, Kelly, of Sparks, Nev.; Margie Geiger, Yuba City; H. Snider, Nevada City; Bruna Guidotti, Patricia Richards, Irma Notley, Sacramento; Shirlee Bennett, Velma Davidson, Roseville.

Award Contract For Hospital As Fund Is Secured

Agencies Approve Fund
Increase For
Hospital

Contract for building the Tahoe Forest Hospital was awarded last night to Schreck & Sons of Sacramento during a meeting of the board of directors of the hospital district with Architect George Selson.

Apprehension that the building would be delayed because the bid of \$347,841 was far in excess of the original estimate was dissolved after C. R. Heller, president of the board; Ted Barrett, secretary, and James Sheritt, a third member, conferred last week with state and federal officials in San Francisco and the agencies agreed to match additional local funds to provide the immediate start of the building.

The local matching fund was secured by Supervisor H. G. Loehr from the state's Chapter Twenty money in the amount of \$20,000. The federal and state appropriations were increased \$38,000, each which makes it possible, with small revisions in the plans, to award the bid.

CURFEW LAW TO BE ENFORCED IN TRUCKEE AREA

Probation Officer Thomas Barrett this week reiterated a warning that the curfew ordinance will be strictly enforced in Truckee starting immediately.

Both children and parents are jointly responsible for violation of the curfew law, Barrett said, and he and other local officers will see to it that violators are apprehended.

The probation officer said that much of the juvenile delinquency is occasioned by young people wandering the streets at night without any apparent program. He said this situation must be corrected and if parents fail to conform, the law must take a hand.

SCIENTISTS FAIL IN TAHOE STUDY AS GEAR BREAKS

A broken gear in a solar observation instrument brought failure to a scientific party sent to Fallen Leaf Lake, near Lake Tahoe, by the University of California at Los Angeles to measure the earth's distortion during an eclipse of the sun Tuesday.

Dr. Louis B. Slichter, director of the UCLA institute of geophysics, prepared to return to Los Angeles, frankly admitting "great disappointment."

A companion expedition was sent to Attu, in the Aleutian Islands.

The purpose of the studies was to determine how much an eclipse will affect the earth's surface. The eclipse, the second this year, was not visible in the United States but was seen as a partial eclipse in northern Asia, Hawaii and Alaska.

Border Problems Are Discussed at Meeting

BROCKWAY — A committee on problems of overlapping state lines met Tuesday at the Brockway Hot Springs Hotel to present recommendations to officials of California and Nevada. These are due to be presented to the legislatures of the two states at the next sessions.

Members of the committees are Senator E. F. Loomis, Attorney General Alan Bible of Nevada; Senator Jesse Mayo and Assemblyman Richard McCollister of California.

THIMBLE CLUB

The next Thimble Club party will be held at Mrs. C. R. Heller's home on Thursday, September 21, with Dorothy Monte and Ella Waters co-hostesses.

Calvin Sassarini, who has been teaching at Forestville, has recently moved to Sonoma to a new teaching post.

First Legal Deer Of Season Killed By Stockton Man

With most hunters patiently awaiting the opening of the season Saturday morning, Lester J. Norris of Stockton has already killed his buck and is safely home with the meat — and he accomplished this legally.

Norris is an expert archer and California each year opens the season a few days early for the exponents of the bow and arrow.

The Stockton man shot his forked horn September 7 at 5:15 p.m. and brought it to Truckee where it was validated by Deputy Constable Slim Ellert of the Truckee Sport Shop. Ellert said that in his more than 20 years of validating deer, this is the first time he has ever validated one for an archer.

STUDY IS MADE OF CHECK DAMS ON RIVER HERE

Four points along the Truckee River were inspected by state officials and members of the Truckee Outdoor Sportsmen last Friday for the purpose of determining whether check dams to conserve fish life in the river are practical.

No decisions were reached, although Biologist J. B. Kinney of Placerville, representing the fish and game commission, looked with some favor upon a site four and a half miles north of Tahoe. Other places were at the mouth of Donner Creek, a point just east of Truckee where a dam was blown out recently, and at Polaris.

Making the inspection were Senator Harold Johnson of Roseville, John Ciardella, Robert W. Seibold, A. Ellert, N. S. McCrary and Hazel Roberts of the Outdoor Sportsmen, Frank Gaennie, representing the Sierra Pacific Power Company who said his firm would not oppose the dams, and Gilbert Berg and Tom Borneman of fish and game.

On Friday evening a meeting of the directors was held to discuss the survey.

Senator Johnson said he is convinced that although the current appropriations for such work is about exhausted, a new appropriation will likely be made and Truckee has a good chance of securing aid in the check dam project.

LOCAL MARKET ORDERED CLOSED

The Nevada Board of Trade last Thursday closed the Truckee Meat Market, operated by Vincent Mistretta, and have announced that the merchandise there will be sold at public auction at the board's offices, 43 Sierra Street, Reno, on September 20 at 2:30 p.m. The merchandise may be inspected September 19 between 9 a.m. and 5 p.m., the announcement said.

Wyethia Meeting Here Postponed

The meeting of the Wyethia Women's Club, scheduled to be held tomorrow evening, has been cancelled in deference of the family of Richard Loynd, Mrs. Robert Gifford announced this morning.

Church Society To Hold Meeting

A meeting of the Woman's Society of Christian Service will be held on Sunday, September 17, at the Methodist Church at 7:30 p.m. All interested persons are invited to attend.

Vistors Enjoy Lodge Gathering

Naomi Rebekah Lodge No. 2 last evening was honored by a delegation from Golden Rule Lodge No. 68 of Dutch Flat, who presented a good fellowship program. Members and guests enjoyed a social hour after the meeting.

Deer Hunt Will Start Saturday In This District

Deer Should Be In Good
Shape, Warden Here
Reports

"The deer hunting should be fair, but hunters will have to walk more due to the wider range of the deer this year. There is much feed and water, and the deer should be in good condition."

This was the pre-season report of Game Warden Tom Borneman of Truckee on prospects for the deer hunting season, which opens in the district on Saturday, September 16. Meanwhile, Warden Owen Mello of Loyalton reports, "Prospects for deer hunting this season appear good in the eastern part of Sierra County. There is an adequate supply of small bucks, but large ones are scarce."

The state's major hunting effort will get under way one-half hour before sunrise Saturday in the Sierra, north coastal and Lassen-Modoc areas. Portions of San Diego, Riverside, Imperial and San Bernardino counties are included.

Shooting hours have been set between one-half hour before sunrise to one-half hour after sunset and one buck is the limit in this area. Shotguns and pistols are outlawed in deer hunting.

Deer tags, useful in keeping track of hunting pressure and biological trends, must be attached to the antlers of each deer taken. Among those authorized to validate deer tags are employees of the Division of Fish and Game, state and federal forest rangers, peace officers, justices of the peace, park rangers, officers of locker and cold storage plants, and employees of certain sporting goods firms.

Simultaneously, the state's 3 1/2 months bear hunting season opens September 16 with good prospects for the hunter to bring home his seasonal limit of one bruin, the Division of Fish and Game reveals.

Bear facts about the coming season: Shooting hours are from one-half hour before sunrise to one-half hour after sunset; between September 16 and October 15, no more than one dog per hunter may be used for taking bears or deer or both; firearms and bow and arrow are legal weapons, but trapping is prohibited.

About 2,000 of the state's estimated population of more than 20,000 bears will be taken before the season ends December 31, the division predicts.

Supervisor Passes After Long Illness

NEVADA CITY — Warren E. Odell, 69, chairman of the Nevada County board of supervisors since January 6, 1947, died Sunday in the Miners Hospital here following a long illness.

Odell was appointed a supervisor on September 2, 1938, to complete and unexpired term and has served continuously since.

A native of Illinois, he came to California many years ago and for a number of years operated a large ranch west of Grass Valley.

Funeral services were conducted yesterday in the Hooper-Waiver Mortuary.

Surviving are his wife, three daughters, a son and a brother.

LANDING FIELD ANSWER IS DUE

The Truckee Chamber of Commerce will meet this evening in the chamber offices. A definite answer to the proposed abandonment or maintenance of the CAA landing field here must be arrived at. Other important matters will be taken up and everyone interested is urged to be present.

MEET SCHEDULED

A regular meeting of Pythias, Sisters' Summit Temple will be held tonight at 8 o'clock. Degree staff will be present to practice for initiation. Refreshments will be served.

North Tahoe

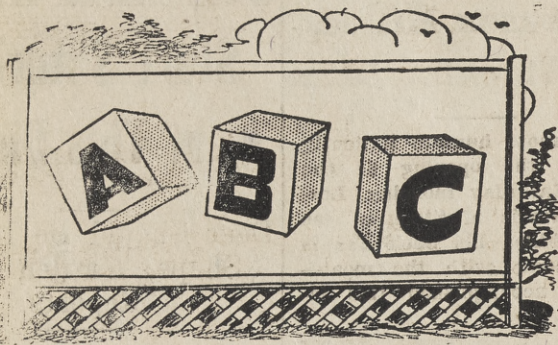

by T. BURROUGHS

Lake Tahoe Gun Club's ATA shoot last weekend drew 77 entrants. Top honors went to Herbert N. Ferguson of Fontana. On Saturday, in the 16 year, the handicap and the doubles and on Sunday he came in for top honors with a score of 99. The Calcutta dinner was held at North Shore Club and approximately \$2300 was bid for shooters. The host club is well pleased with the results of the meet. The club now plans a buck stew party to be held at the club house Octo-

ber 8.

Kings Beach Laundromat will reopen Tuesday, September 19th. All you ladies who have been saving those dirty duds for the family will be able to use this method of laundry service.

The excitement, hustle and bustle, some of the drudgery and most of the summer business is over for 1950. What a summer! Meeting new people, seeing again those not seen since last summer. Happy, pleasant surprises, tired, honestly tired and aching bodies when the day is done. Yes, it marks another season past. An early tinge of fall along with late summer thunderstorms, a sort of

THE DRAB SIDE OF WAR—American crew of a 105-mm howitzer, awaiting orders to fire, look with astonishment on lone Korean woman who flees from Yongdok carrying her worldly possessions on her head.

nostalgic sadness settles over the country side. Many places are already closing, those shutters going up remind us that each season is a fleeting thing. Along with several other, the Knowlton place was closed last week. Richard Lavery keeps a sharp lookout around shuttered places. The Knowltons will be surprised to know that a relative of their, Mrs. Fred P. Hart of Austin, Texas, came up for a brief stop at Tahoe right on the heels of their departure.

Word of the death of Mrs. Francis W. Pope of Richmond, Calif., has been received. Many of you will remember her as the lively little woman who so loved our wooded hills and the hunting season. Two years ago Mrs. Pope was a member of that successful hunting party which included the rest of the Papes, as well as her son in law, Bob Dennis, who made those nice pictures of the party. Also in the party were Ace Abbott, P. M. Burroughs and a nephew of the Abbotts. I am not sure that so many bucks were brought in but for weeks there was much comment on the wonderful sportsmanship

of Mrs. Pope, who endeared herself to all who knew her. She will be greatly missed. Minerva Pope was the wife of Francis W. Pope of Richmond, mother of Walter N. Pope also of Richmond and Mrs. Doris V. Dennis of Kings Beach, daughter of Mrs. Melissa Reading of Granite City, Ill., sister of Charles F. Hamm of Pekin, Ill., and Mrs. S. Graffe of Omaha, Neb. A native of Richmond, Mo., she passed away at Richmond August 30. Mrs. Pope is also survived by two grandchildren. Services were conducted by the Rev. Harold Sweezy on September 1 in Richmond. Our sympathies are extended to the bereaved.

Thursday evening, September 7, a general meeting of the Lake Tahoe Chamber of Commerce was held at Carpenters' Hall in Kings Beach. Duff Dean, former owner of Lake Side Cottages near Tahoe City, spoke at length on what could and should be done for advancement of the chamber as a representative organization of Lake Tahoe and vicinity. There will be a meeting of the board of directors Thursday night of this

PERFECT DEMOLITION BLAST—A bridge over the Kum river is blown up by U. S. Army Engineers in an effort to delay the Northern Korean offensive.

week at Basse's Cottages, south Tahoe.

On the windy morning of September 11, out of the past and right up to my front door walked my good friend and former employer, Miss Ruby Connelly of Connelly's Florists in Austin, Texas, bringing with her three other boosters for Lake Tahoe. This quartet, Mrs. Fred P. Hart, Miss Emily Abraham, Mrs. John Photo and my friend Ruby, have toured the west pretty thoroughly and in their good old southern accents declare the lake offers more of beauty and splendor than any other section of the country heretofore visited. All have lived in Austin since their very young days. Seeing New York one year and Los Angeles the next and until now passing up the best of all. Now that the ice is broken, we'll see them again and again. Taking the day off we drove around the lake, picnic lunch at Emerald Bay. Yes, in the rain. You-all know, we had lots of fun!

Mrs. Anna Hesse, after enjoying a mighty fine visit with her friend, Mrs. Anna Blau at Tahoe Vista, has returned to her home in North Hollywood.

Mr. and Mrs. P. R. Murray have returned from their trip to Merced and the Bay area. Bob suffered a little physical set back while they were away.

Mrs. Eva Mason with her daughter Mary and grandsons,

Billy and Chuck, have completed a tour of Washington and Oregon, finding nothing to compare with Tahoe, although they did have a wonderful trip.

Petition for annexation of certain territory to the North Tahoe Public Utility District, under the Public Utility Act, has been presented to the board of directors of the district. On September 8, the directors adopted Ordinance No. 10, describing the territory proposed to be annexed. Friday, October 20, at 3 p.m. in the regular meeting place of the the board, Post Office Building, Kings

AIR CRASH VICTIMS, TAHOE FAMILY, FOUND IN OREGON

Search that began last Christmas Eve for a family of three, en route by air from Spokane to their Lake Tahoe home, ended last Sunday when their bodies were found in a wrecked airplane several miles from LaGrande, Ore.

Believed to have been killed instantly in the crash were Frank T. Eaton, 27, his wife Nancy, 29, and their son, Michael, 5. Intense air and ground search last December failed to reveal any trace of the missing three. Last Sunday a group of picnickers from LaGrande found the tragic scene, where the light airplane, piloted by Sgt. Eaton, had crashed in desolate territory.

Eaton was the son of Mr. and Mrs. Claude I. Eaton of Lake Tahoe. He and Mrs. Eaton built their Lake Tahoe home in 1946 after he was discharged from the Air Force and before he reenlisted. Mrs. Eaton was a native of Stockton, Calif.

Funeral services were held at Carson City for all three under the charge of Carson Lodge No. 1, F&AM. Burial was in the family plot at Gardnerville, Nevada.

The Yaqui Indians of Arizona are not native or wards of the United States but were given refuge from a campaign of extermination in Mexico.

Beach, has been set as the time and place for hearings on said ordinance. All persons interested should appear.

Donner Trail Lumber Company

HIGHWAY U. S. 40 at DONNER LAKE

Telephone Truckee 71Y11

Summit Scene

by FRAN COUILLARD

As we read the war news in the daily papers, we are reminded of the past period of war. The reason we are thus reminded is because we heard one of the operators in this Donner Summit area state that organization of the area is paramount at this time for this may be "the last year of skiing and snow sports activity for some time." From reading this column one knows

that we are all out for organization for promotional purposes and the rumor that we reprint may or may not have truth there in. The war, as it is pounding at our shore line, may have some bearing on the business of the future. Editorials are being written and placed before the public eye that deal wholly with the four lancing of our Highway 40, "the bottle neck" of defense. Gas rationing is rumored again. It's a cinch that the war in the front yard of the west is bound to have some influence on western business, and especially recrea-

tion. We who live in rocks and trees haven't agriculture to turn to, no big production plants are going to puff and breathe in the area. We are simply a recreational playground. So the operator who made the above statement may have something. Some one has to take the lead in organization. The operator who finds himself sweating in a busy promotional work. When the slow season hits him he either hasn't the money to promote or else hangs on to what he has in the event his next season's business won't pay off. Those who have started in business since the last war ask us "How was business during the last war?" For those who really want the answer, we will say that business was never greater. We are prone to predict but we can site the following. Gas rationing brought people in to the area for longer periods. The constant hammering and terrific load of merely week end business didn't exist. Those who wanted to ski or indulge in other winter sports couldn't use the proximity of the area for merely weekend trips. They took their vacations in the winter months and spent their full two weeks in the area that was close enough to let them use enough gas for a round trip. The surrounding army camps fed the area, for the men stationed therein were within call. The tough problem was getting help for war production jobs paid too well for resort salaries to compete. By the same token, business was good because they had the money to spend. If conditions develop to a point where the coming seasons can be compared to the last war period, there is a chance they can be looked forward to optimistically. From the rumors of war, which are far from sublime, we go to the lighter side of things. We are reminded of the American Legion party at Beacon Hill Lodge last Saturday night when Elmo Moriano took over the job as Legion commander. We presume the installation was held in all of its solemnity and we saw Sacramento, Yolo and other names of distant places on the caps of the Legionnaires, but the

aftermath can be classed on the frivolous side. The tickets that were sold at three for a dollar were good for highballs and hot dogs and when we left at 1:30 in the a.m. the guests were lined up on the damp grass awaiting the cooking of the hot dogs in the barbecue pit. Need it be said that all who managed to stick it out at such reasonable rates had a very good time? Proceeds went toward the building fund of the contemplated Legion Hall.

While the wind whoops and hollers around the Summit every afternoon 'midst mountain thunder showers, the CAA station on the tip top thereof strains on its cables and acquires a new face lifting job, paint and stuff. Localities, not employed at this particular time, swing around in the breeze and help with the work. Ernie Nordstrum labors in the "steam bath room" of Beacon Hill Lodge getting it ready for a real Swedish massage. The Soda Springs Ski Corporation labors to get a few more logs off of its slopes before that first handful of cold feathers starts to fly. Hear that Stig Bengter, the Donner Trail Memorial Race devotee who is really going after that coveted prize this season, will take over the rope tow at Ice Lakes. Speaking of Ice Lakes, had a chat with Al Pearce of radio renown who is a guest at that lovely spot at the present writing. Speaking further of Ice Lakes, doesn't this cold snap remind you that it's about time for the ice to form on that beautiful pond out there for the skaters?

Elmo Moriano has added another swimming hole at Beacon Hill Lodge, a wading pool for the tots.

Cisco Grove Store is going out of the capable hands of the Aldens and Mr. and Mrs. Bertram Bacon of Brentwood are taking over the business shortly. The Aldens search for a place to live during the coming winter so that their eldest son can remain in the Donner Trail Elementary School and get his diploma therefrom.

Doris Chaplin of Rainbow reports a change in the management of Rainbow Garage. She gave us the name of the couple but we've misplaced the memo. We'll tell you next time. Well known Lake Tahoe couple, we remember.

Bert and Dorothy Barber journeyed to the area, Bert to go out as last year's Legion commander. They are now living in Sacramento since the famous little fellow's retirement from Donner Summit Lodge.

Elmo Moriano announces that he is going to take a vacation—a nice long one. He intends to tour California. Tony and Eve Donadio, ditto. The exodus is

Floriston

by C. A. FELESINA

A few of the members of the Floriston Property Owners Association spent the weekend repairing leaks in the reservoir. A flume was built across the reservoir and the water carried directly into the main, thus avoiding any cessation of service. Those working on the project were Frank Seymour, president of the association who was in charge of the project, Alex Ayala, Vernon O'Brien, Lyle Ingalls, Clifford Korte and Lester Felesina.

Jesse Marble spent the Labor Day weekend in San Francisco combining business and fishing. He was successful in bringing in a fine big salmon. He was accompanied on the trip by his brother, Amos Marble, of Quincy.

Mrs. S. B. Buckner was hostess over Labor Day holidays to her daughter, Mary Buckner, James Lafever and the noted sculptor, Spero Anargyros, and his wife, all of San Francisco.

Visiting Mr. and Mrs. Preston L. Wright over Labor Day were Dr. and Mrs. Edgar Wayburn of San Francisco. Dr. Wayburn is a past president of the High Sierra Club and was quite impressed with our little mountain hamlet.

A daughter, Lara Judith, was born recently to Mr. and Mrs. Lyle Ingalls.

Mrs. Dolores Grace and daughter, Cindy, of Auburn were Labor Day guests at the Frank Seymour home.

Mrs. J. E. Williams and daughter, Shiria, of Pasadena are guests at the L. W. McLain home.

Labor Day guests at the Vernon O'Brien home were Mrs. O'Brien's mother, Mrs. F. E. Kilgore, sister and nephew, Mrs. Faye Terry and Dick, and brother, Bud Kilgore, all of Orange, and Mrs. Eloise Michele and Lyman Race of Riverside.

Mr. and Mrs. Carl Parks of Sparks are staying at the home of Mrs. Parks' uncle and aunt, Mr. and Mrs. Lyle Ingalls, while Mrs. Ingalls is recuperating from her recent illness.

Mr. and Mrs. Frank Seymour recently motored to Coleville to visit Mr. and Mrs. Jack Herrington, former Floriston residents.

Paul and Carol, son and daughter of Mr. and Mrs. Byron Miller, have returned to San Jose where they attend school.

Mrs. Katherine Craig has returned to San Francisco after spending her vacation with her

son and daughter in law, Mr. and Mrs. Wesley Craig. Mrs. Leslie Oppio of Sparks was a weekend visitor at the home of her parents, Mr. and Mrs. Jesse Marble.

Mr. and Mrs. Lester Felesina made a recent trip to Minden on business after which they continued on to Yerington, where they spent the night at the home of Mrs. Felesina's brother in law and sister, Mr. and Mrs. Thomas Julian.

Several new families have moved into Floriston, which leaves very few vacant places. They are Mr. and Mrs. W. J. Singleton, Mr. and Mrs. Willard Comjers, Mr. and Mrs. L. H. Culp, Mr. and Mrs. R. H. Ever-

ett and Mr. and Mrs. F. W. Graham.

Measles Top List on Morbidity Reports

SACRAMENTO — (W. N. S.)—Mumps totaling 91 cases headed the morbidity report for the week ending September 2, released by the state department of public health. High on the list of communicable disease cases reported were chicken pox, 60; measles, 55; and whooping cough, 51. The department also announced 24 streptococcal infections, 14 cases of German measles and three diphtheria cases were reported.

ELECTRIC HEATERS

YES — The mornings and evenings are getting a little chilly.

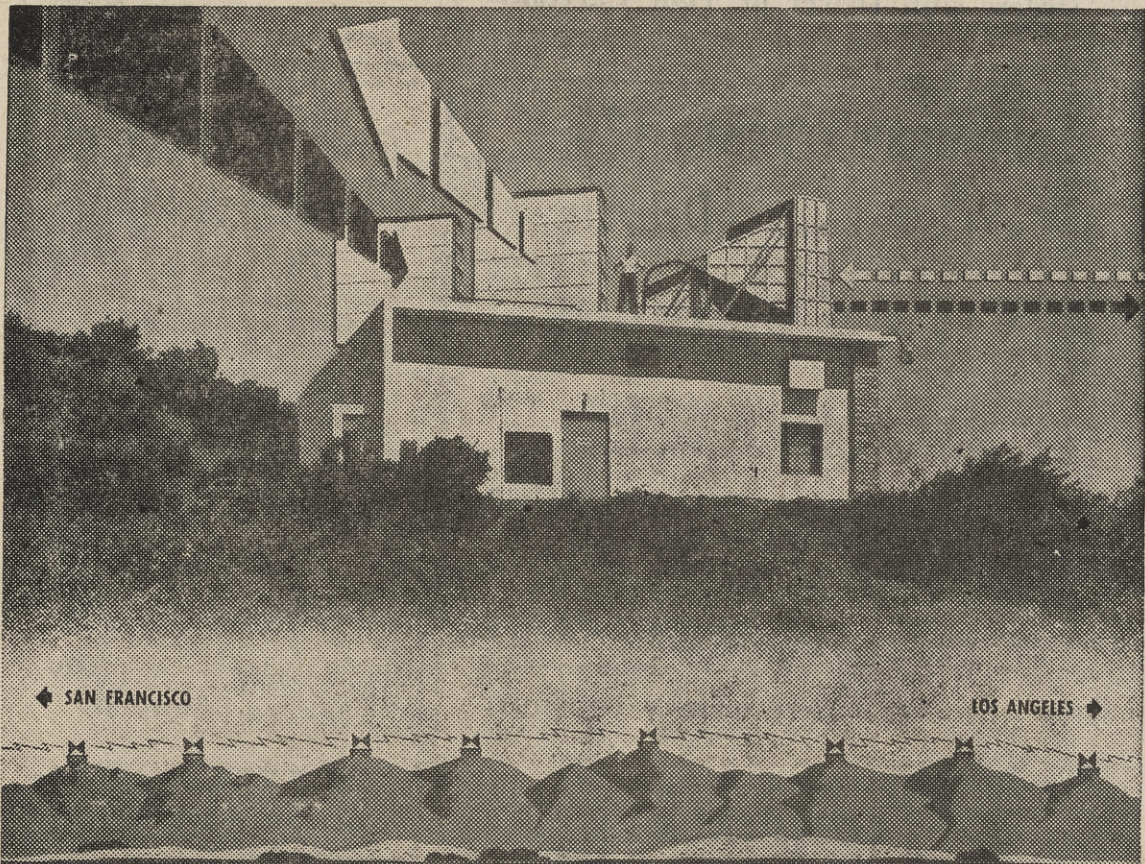

NOW — is the time to get that ELECTRIC HEATER you have always been wanting.

CLEAN — Electric heat does away with space consuming pipes and valves.

ELECTRIC heat provides silent, trouble-free thermostatically controlled heat at the exact temperature desired for individual rooms.

Kin to radar, "Jump-Jump" hurls television from point to point on radio beams aimed like a searchlight.

WEST'S FIRST TELEVISION NETWORK

Relay system to operate between San Francisco and Los Angeles

1. Amplifying equipment like this is connected with the hornlike antennas above to relay television programs or long distance telephone calls from one part of the country to another. Engineers call it micro-wave...for it uses high-frequency radio waves, and it gets its nickname, "Jump-Jump," because the beams leap-frog between relay stations located on mountains 28 to 65 miles apart.

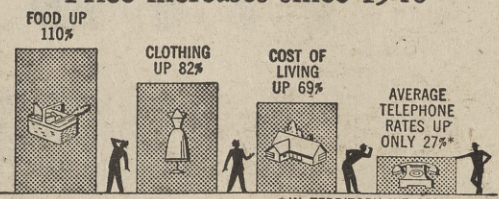

2. Television programs can be relayed from one point to another by micro-wave or by coaxial cable. The first leg of a Western television network will begin operating between San Francisco and Los Angeles September 15 over the newly-completed "Jump-Jump" system. And we're going ahead with surveys and experiments to extend the television network to other areas of the West.

3. The research which produced this micro-wave system was conducted in Bell Telephone Laboratories...originators of so many electronic developments. Hundreds of them have led to better telephone service at lower cost...and have played a major part in making your telephone the big value it is today. For in spite of rising prices, telephone rates have gone up much less than our costs of providing service. On the average, our prices have gone up less than half as much as the cost of living generally.

PLANS ARE MADE FOR CAMPAIGN BY COUNTY G. O. P.

Nevada County Republicans last Friday prepared to enter the November 7 general election campaign in what was defined as a "battle to determine the future of California and set a precedent for the nation."

With unanimous enthusiasm the Nevada County Republican Central Committee endorsed Earl Warren for reelection as governor, Edward Shattuck for attorney general and Richard Nixon for U. S. senator.

Douglas Barrett of Truckee, committee chairman, presided at the session held in Grass Valley. Campaign financing, promotion

and organization of Republican women campaign workers occupied the group. Beside committee members, Republican leaders attending the session included Stuart Chalmers, George Hallock and C. R. Clinch, all of Grass Valley, and William Porter of Truckee.

Clinch, leader of the Nixon for Senator committee, stated that final tabulation of the June primary vote showed that Nixon's vote on all parties exceeded that of his opponent in November by over 150,000 votes in the primary election. He pointed out that Nixon, a Navy combat veteran of World War II, is one candidate who has "never sought nor accepted the support of either a Fascist or a Communist organization."

STEDDOM PETITION FOR COUNTY JOB BEING CIRCULATED

Kenneth B. Steddom of Tahoe City last week was one of three candidates to receive petitions to qualify as candidates for supervisor of the fifth Placer County district. The election will be held at the same time as the state wide general election on November 7. The other candidates are L. L. Anderson and Wm. W. Atkins, both of Forest Hill.

The candidates are required to obtain signatures of at least five per cent and not more than six per cent of the voters who cast ballots at the last general election in the district.

The successful candidate will serve the final two years of the term of the late John McFadden

of Forest Hill, whose death this summer left the office vacant. Governor Earl Warren appointed Mrs. McFadden to serve in the position until a successor is named in the November election. The petitions must be filed by September 28 in order to qualify for a place on the ballot, Miss Lillian Rechenmacher, county clerk, stated.

The fifth supervisorial district includes the Forest Hill and Iowa Hill districts and the portion of Lake Tahoe between the El Dorado County line and the Brockway district.

Back to Tahama—Mr. and Mrs. Paul White have returned to Tahama, following an Oregon honeymoon.

STATE'S MASONRY TO OBSERVE END OF 100 YEARS

More than 10,000 Master Masons and their families from all parts of the state will attend the California Masonic Grand Lodge Centennial to be held in San Francisco October 9 to 13, according to Francis V. Keessling, past grand master of the California Grand Lodge and chairman of the centennial executive committee. This will be the largest gathering of Masons ever held in this state.

Grand masters and grand secretaries from grand lodges all over the nation and several foreign countries will be among the honored guests at the centennial, according to Ellsworth Meyer of Los Angeles, grand master of the California Grand Lodge. The centennial is being held to celebrate the 100th anniversary of Masonry in California, California Lodge No. 1, F&AM, Bay steamer excursions, a grand

San Francisco, was established November 15, 1849, on a charter originally granted them by the Washington, D.C., Grand Lodge. The California Grand Lodge was organized in 1850. There are now more than 600 Masonic Lodges in California.

Grand lodge members and Master Masons will begin arriving in San Francisco October 7 and registration will be held in Polk Hall, San Francisco Auditorium. Sunday, October 8, will be devoted to divine services and the Standard Symphony Concert that night in the War Memorial Opera House.

Visiting lodgemen and their ladies will attend a special performance of "The Magic Flute" opera at the War Memorial Opera House October 11. Other scheduled entertainment for the visiting Masons will include Chinatown tours, visit to the giant redwoods at Muir Woods, Eastbay Pilgrimage, a trip to the Masonic Home at Decoto, California Lodge No. 1, F&AM, Bay steamer excursions, a grand

Keep Your Car Mirror Clear of Dangles

WOMEN'S CLUB SET SEPT. 21 AS DATE FOR NEXT SOCIAL

TAHOE CITY—Members of the Women's Club of Tahoe met in Tahoe City community hall on last Thursday, the president, Mrs. Dorothy O'Rourke, presiding.

Mrs. Louise Geier served as secretary pro-tem due to the absence of the regular secretary, Mrs. Vera Frazier, who tendered her resignation because of her inability to attend meetings. Mrs. Geier read the minutes of the August 3 meeting and Mrs. O'Rourke read the treasurer's report submitted by Mrs. Madden.

Proceeds of the food sale conducted by the club the Saturday previous netted the club \$59.31.

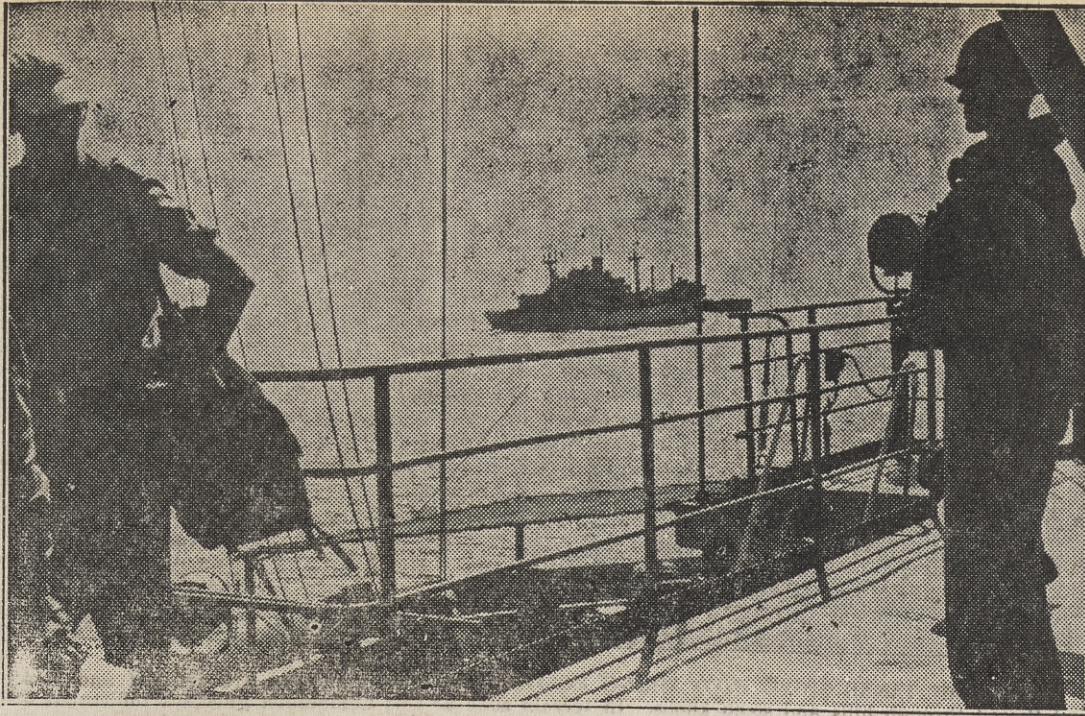

Eleanor Swanson made a report on the club's project to clean up the local cemetery above the golf links in town and to erect a new fence around it. Bert Watson has agreed to aid in the task of estimating the cost of repairs.

A motion was passed whereby Patrolman Tom Sheehan was to be requested to contact school children of the elementary grades August 3 meeting and Mrs. O'Rourke read the treasurer's report.

port submitted by Mrs. Madden. Proceeds of the food sale conducted by the club the Saturday previous netted the club \$59.31.

Eleanor Swanson made a report on the club's project to clean up the local cemetery above the golf links in town and to erect a new fence around it. Bert Watson has agreed to aid in the task of estimating the cost of repairs.

A motion was passed whereby Patrolman Tom Sheehan was to be requested to contact school children of the elementary grades August 3 meeting and Mrs. O'Rourke read the treasurer's report.

U. S. NAVY TASK FORCE ENROUTE TO KOREA—View from the deck of one of Admiral James H. Doyle's ships showing practice in laying a smoke screen in making first amphibious landing.

cycling on the highways. An accident which took the life of a motorist last week occurred when the driver struck a tree and wrecked his car when he drove off the highway to avoid striking a boy riding on a bicycle. Some local children have been observed riding on the left side of the road, facing traffic, which is against the law, the proper side being the same as the traffic is moving.

Members also voted to send for a 48 cup coffee dripulator and Mrs. Beulah Carnell will look into the purchase of a typewriter. September 21 has been set as the date for the next social afternoon of the club, at which time a luncheon and card party will be held at Homewood Resort, Truckee. Wyethia Club are being luncheon scheduled at noon. Reservations should be made with Mrs. Jeannette Mitchell, Tahoe City 316R, who is chairman of the day. Her assistants are Mrs. Pearl Snyder, Mrs. Marguerite Webb, Mrs. P. G. Friday and Mrs. Eleanor Swanson. Canasta bridge will be played following the repeat. Members of the Truckee Wyethia Club are being sent an invitation to attend.

TAHOE PARK POET HAS WORK IN NAT'L JOURNALS

TAHOE CITY—Mrs. E. Marguerite Webb of Tahoe Park has been given a signal honor with the publication of her poem, "America, Land Glorious," which appeared in the New Age Magazine.

NORTH TAHOE MAN BADLY HURT IN HIGHWAY MISHAP

TAHOE CITY—Rex Hulsey, cashier for the past three years at Ta-Neva-Ho, on Tahoe's north shore, at 3:34 last Thursday afternoon was seriously injured when the coupe he was driving left the highway and went out of control over a bank 25 feet on the California side of the California-Nevada state line. He sustained serious lacerations of the head and abdomen from broken glass and suffered severe shock and loss of blood.

He received four blood transfusions after arriving at the Washoe medical center at Reno, where he was taken following first aid treatment at Kings Beach.

Deputy Constable Bill Beers investigated. The car was badly damaged.

Four programs are in the offing for this winter, one at the Tracy Women's Club; a section of the Woodland Town and Country Club; the Episcopal Guild of Roseville and the United Council of Church Women at Roseville.

HOLLYWOOD STARS PLACE HIGH IN CAL-NEVA MATCH

BROCKWAY—Tarzan's mate is quite an athlete in her own right. Eileen Gates Weissmueller, wife of the one-time movie ape man, topped the women's division of the 36-hole Cal-Neva Lodge best ball and medal golf matches on the Brockway golf links last weekend.

Sharing honors with her were Cal Eaton and Mike Hirsch of Los Angeles and the home pro, Ors Delucca. The former two won the amateur best ball play and Delucca was low pro medalist.

Mrs. Weissmueller, once southern California women's amateur champion, did better than her husband in the tournament. He tied with Dr. Sherman Miller of Los Angeles for sixth in the men's amateur competition.

Two other movie stars—Lloyd Nolan and Dennis O'Keefe—finished among the first ten.

Half a billion dollars at work for you

This picture shows what Standard of California has spent, since the war, on facilities needed to bring you more and better petroleum products . . . and to compete with other oil companies in this extremely competitive business.

But . . . what else has this money accomplished?

It has helped every community in the West . . . created jobs in many industries and made those of our own people better. The money has spread to other businesses, large and small, and to every profession. Homes have been built, automobiles purchased, educations planned and started for many of the West's young people.

We point this out to show how big companies make money work for everyone. And, certainly, the public must share the credit . . . for the public alone can make a company big. Over the years, you have found Standard

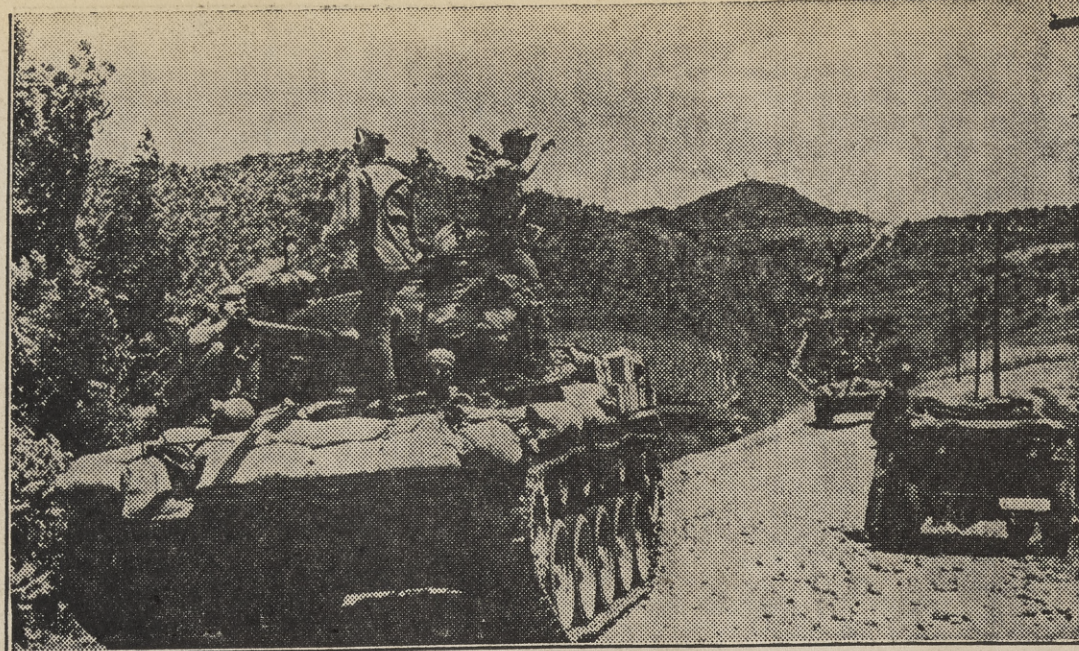

products good and have bought more and more of them. You've made us grow. A large share of our profits each year is turned back into the tools which mean still better products and more efficient service for you. And, perhaps even more important today, the tools which give much added strength to our nation.

SWANEE'S TAHOE LETTER

Tahoe City, Sept. 11, 1950
Dear Tahoeites—
A jolly group of campers enjoyed an outing to Crag Lake, one of the Tallant group above Meeks Bay, recently. The party left on Friday afternoon, September 1 and remained for four days. A large bonfire enlivened the long evenings even though the weather was not cold. Ladies who rode horseback to the campsite included Mrs. Jake Stuart of Lake Forest, Mrs. Stan Martin and Mrs. Jerry Quam of Tahoe City. The men folks hiked in and joined them. Limits of trout were taken from the lake by Jay Stuart, Stan Martin Jr. and Jake Stuart. All but two of Oscar Quam's fish "got away." The group had a marvelous time and returned home the following Monday afternoon.
The Dick Hinkes left Tahoe City on Saturday for Berkeley where they will make their home and await the arrival of their

expected baby in November. Dick has been employed by the Truckee-Tahoe Lumber Company all summer.
Mr. and Mrs. Duff Dean of Los Altos have been guests at The Dunes near Kings Beach for several days but left for home on Monday. Dean offered his services to the Lake Tahoe Chamber of Commerce at the meeting last Thursday night. It was believed a wonderful acquisition for the chamber to have such a capable man on their staff but difficulties arose later which could not be adjusted satisfactorily so the Deans abandoned their plans to move to Tahoe as permanent residents and left. Mrs. Dean observed a birthday Sunday. Their son, Wallace, a pilot for Pan American Airways now flying official personnel to Tokyo, and his wife have added a second child to their family since leaving the lake. Sincere regret has been voiced at the Deans' departure. Their loss here is a gain for Los Altos.
My partner, Mrs. Ethel Vernon, and I will be winding up our duties here in the Chamber of Commerce booth at the Tahoe City

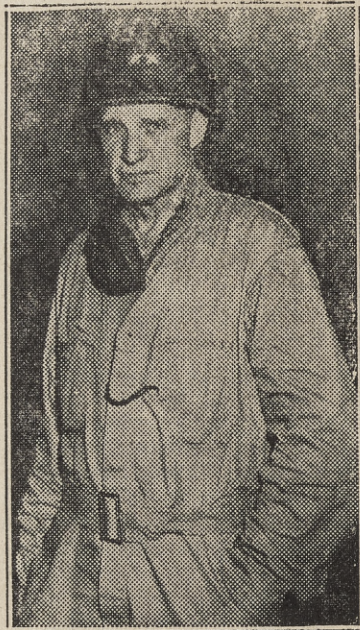

AMERICAN TANKS MOVE INTO FIRING POSITION—Korean highways are crooked and rocky and thread through hills and steep knobs. In terrain such as this Communist guerrillas infiltrated behind the American lines.

we on Saturday and we believe it has been a good season for all. Patronage of the three Lake Tahoe booths has proven the worthiness of the operation and with a larger supply of maps to distribute free next season, we hope, an even greater popularity of the free information booths is indicated. Greater cooperation is needed, however, in sending information among resort operators, who are requested by us especially to send us news of the whereabouts of conventions, Boy and Girl Scout jamborees, church conclaves and the like. And a wonderful opportunity is being lost to the resort operators who do not keep us supplied with folders of their places. Cooperation and unity of effort should make the Lake Tahoe Chamber of Commerce one of the liveliest in the state.

Talked with Clarence Beavers, fire patrol officer at Tahoe Park government campgrounds, who has just returned from fighting fire in Stanislaus County where 25,000 acres of timber were not only leveled but burned to the ground, leaving only unsightly stumps. He declares it was the worst fire he has ever witnessed. He was in charge of one of the fire sectors and says it was impossible to halt the leaping, exploding holocaust for the first two days. Hundreds of fire fighters fought the blaze and a large number of cattle were trapped and killed.

Beavers broadcast over Jerry Waters' Thursday night program over KOLO earlier in the season, emphasizing the need for extreme care in preventing fires during the dry season in the forests. He believes few really appreciate the extremely fine and efficient system which has been worked out for the protection from fires in this area, potentially one of the most dangerous in the state. It is not mere good luck which has restricted fires in this area, nor are the trees made of asbestos as some would think, but only constant vigilance and a demand for strict adherence to

CG 1ST CAVALRY DIVISION—Maj. Gen. Hobart B. Gay on Korean front following amphibious landing near Pohang-dong. The 1st Cavalry with the other American divisions in Korea has been in almost constant action. Gen. Gay participated in the landing in Africa in 1942 and was chief of staff of the 3rd Army in European operations in 1944.

fire laws by our forest service officials that has kept the damage down. The only serious fire here for the season was the one near Chambers' Lodge and on this occasion so many trained men turned out so quickly that the fire was practically smothered before it could get too much headway. Beavers declares that the fire truck at the campground is really not a fire department, although it will gladly lend assistance at any time called. Its primary task is to keep fires from spreading and for use in mop-up operations. His department is charged with protection of the overhead forest and preventative measures to keep fires from starting. The rate of fire protection has risen slightly but he believes local home owners should approve small added taxation and be grateful that fires

TAHOE BOAT MEN GO TO AID OF PLANE IN GRIEF

TAHOE CITY—The Cee-Bee amphibian airplane which came to grief on Lake Tahoe near Tahoe Tavern pier Sunday evening, September 3, is still awaiting the arrival of repair parts before it can take off on its home flight. It was piloted here from San Francisco but the name of the pilot was not released.

Fred Main and some of his men from the Tahoe Boat Company at Tahoe City saw the plane make its bounce landing in the high swells and went out in a speedboat to stand by to aid the pilot. The latter taxied the plane to a pier nearby and put a "mud hook" on it at once to hold it out of the water, but a large hole in the bottom caused

Overloading Big Fault Of State's Truckers

Commercial vehicle citations issued by the California Highway Patrol during the first seven months of the year totaled 50,561, Commissioner Clifford E. Peterson reports. Of the total, 30,767 were arrests and the balance of 19,794 were warnings, he stated.
The highway patrol checked 342,636 commercial vehicles during the period; 24,370,401 pounds of overload were ordered removed and \$64,928.21 in fees were found due. Arrests for overloading, which led all violations, numbered 10,199.

the craft to sink in shallow water that night. The pilot said he could not see the rough water from the air and believed the lake surface to be calm.

have been kept to the very lowest minimum in past years. He asks hunters and residents to continue to be careful through the months ahead as long as the threat of fire continues in this district.

According to reports Tuesday morning, latest information is that deer hunting season will open in Placer County as scheduled. Some rain has fallen in this area but not enough to eliminate the extreme fire hazard. Bob Scates is anticipating a record season for his string of pack horses which operate from his stables near Tahoe City into the Sierra back country. He declares numerous big bucks have been sighted in the area and it looks like a marvelous season.

Hope this finds you all in good spirits and sitting on top of the world. As ever, Swanee.

ing...The Sierra Sun's old Seth Thomas clock was off the wall Tuesday...our old friend, A. Bianchi, was up from Winters and had it down to clean it...Bianchi is 95 years old this year and bought the clock when he arrived in the U.S. from Switzerland in 1871...it's his baby which was with him through the years, the Nome gold rush and San Francisco 'quake...Saw the fire chiefs' cars from East St. Louis, Ill., and Salt Lake City parked in Truckee during the weekend...en route to a chiefs' convention in S. F...Jackie Sapunor, 2 1/2 year old son of Deputy DA John Sapunor of Sacramento, was window shopping in the capital with his dad...stopped to check the front door of a store and found it unlocked...preventing the loss of valuable merchandise...not to mention \$1500 in cash...probable if someone less honest had made the same discovery...Slim Ellert getting writer's cramp making out deer licenses and tags at the Sport Shop in Cabona's...Shirley Conger in to change the ad for their popular Tahoe City eatery...she and Bill are going to take it easy...moving the closing time up from 9 p.m. to 8 p.m. daily...except Tuesday...The Ken Posters and the Sam Costas four abreast enjoying an evening stroll...Read County Treasurer Elma Hecker's report for August...our justice of the peace, Dick Little, accounted for a total of \$975.25 in pay-ins...and the Truckee Sanitary District deposited a total of \$964.45.

Loses Populace

Mariposa County is one of the few California counties which lost population in the period 1940-1950.

Autumn Travel Enjoyment Is Theme of Greyhound's Fall "Round-Up"

Greyhound "Silversides" Super-Coach

The sun's bright, the weather right, and fall is the time to enjoy the great outdoors and autumn events.

Greyhound is expressing thoughts like this in its latest nationwide advertising campaign, featuring a "Fall Round-Up of Travel Bargains." So says Glen G. Magnuson, general traffic manager of Pacific Greyhound Lines, western unit of the nationwide Greyhound system. "To tie in with the fall season, Greyhound has 'rounded up' all its travel bargains that are especially suitable to autumn enjoyment," the Greyhound executive said. "These include trips to western cities and western wonderlands, visits to the East, expense-paid tours to all parts of America and to Canada and Old Mexico, group trips to football games, fairs and

other fall events. Many Greyhound expense-paid vacation tours are being extended through the fall season."

Mr. Magnuson pointed out that there are many extra advantages to fall travel. "The highways are especially beautiful in their autumn colors," he reminds travelers, "and the weather is cool and bracing. Yet you travel comfortably because Greyhound buses are equipped with year-around air conditioning that gives 'just-right' temperature in any weather."

"Another important feature of fall travel," Mr. Magnuson emphasized, "is that accommodations are more easily obtained. Hotels and resorts practically everywhere have more space at this time of year. In all ways, fall is a wonderful time to travel!"

KOREAN CHOW! ONE PORTION—A SHOVELFUL OF RICE—Here food is prepared for South Korean soldiers on the front line. Rice is the main dish.

CHAMBER MEETING TAKES UP PLANS TO BOOST TAHOE

TAHOE CITY—Although 3,000 cards were mailed out by Secretary Evelyn Mandeville of Kings Beach for the Lake Tahoe Chamber of Commerce's open to the public meeting, held last Thursday night, only 39 were present. Those who did attend took great interest in the discussions and suggestions offered for the betterment of the chamber's future. H. E. Brooks of Kings Beach presided in the absence of President Bud Beecher of south Tahoe, who was ill.

Brooks declared the chamber, since its inception, has distributed 10,000 booklets in 1949, printed 50,000 folders in 1950 and

hopes to double the output in 1951. The chamber is not now, and never has been, in debt and still retains money in its treasury. Three booths, one each at Kings Beach, Tahoe City and Tahoe Valley, have been operated for the past two summers and attendants have been paid salaries. These will again be operated next year.

Brooks, who is the Lake Tahoe representative on the Placer County chamber of commerce, declared the supervisors have voted \$10,000 for the area. Part of this will be spent for a county wide survey of industry, transportation and recreation at a cost of approximately \$4700, the information gathered to be made available in pamphlet form to the public. Another \$1000 will be spent to print maps of Placer County, \$500 will be allotted for office supplies and maintenance, and \$500 for advertising.

Summer's Over—

The A. R. Specht family, summer residents of Homewood, have returned to San Francisco this week. Mr. and Mrs. Chase Harper are returning to Pomona and E. M. Frost writes that they are returning to Fontana, having spent the summer at Kings Beach.

ANSWERS 'PHONE, CASH IS TAKEN FROM PARKED CAR

TAHOE CITY—Bob Pomin's service station in Tahoe City was the scene of a robbery last week. The owner had just placed the cash receipts in the car and was preparing to lock the door when the telephone rang and he went to answer it. He was detained by the call about three minutes and returned to the car to find the cash box and approximately \$200 gone. Luckily, the morning's receipts had already been taken to the bank for deposit or his loss would have been greater.

A sedan was parked not far from the station before the loss occurred and it was gone immediately afterward, he said. Pomin believes someone could have been planning to rob him and found the task made easy when he was called to the phone. Constable Harry Johanson was notified but no clue to the identity of the culprit has been discovered.

ACCIDENTS

(Continued from Page 1)

Stallard Investigated.

Car Over Bank
William Kedney, 46, Port Costa, and two companions, Powell Russe, 71, and Francis Blanchard, 48, were all injured and treated by Dr. L. D. Nelson yesterday morning after a car driven by the former skidded 76 feet and went over the bank at Kearney's chicken ranch just east of here. Patrolman Gautsche cited the driver for speeding.

Cars Pile Up

Several cars following a slow moving truck were damaged on Tuesday afternoon near Rainbow when one stopped and the balance collided. Mr. and Mrs. G. H. Hunter of Sacramento and E. E. Stearns of Oakland suffered injuries.

NOTICE OF SALE

Notice is hereby given that at 2:30 p.m. on Wednesday, September 20th, 1950, at the office of the Nevada Board of Trade, Room 3, 43 Sierra Street, Reno, Nevada, the undersigned, as Assignee for benefit of creditors, will offer for sale at public auction, certain merchandise now located at the premises of the Truckee Meat Market, Commercial Row, Truckee, California.

Inventory of merchandise may be inspected between the hours of 9:00 a.m. and 5:00 p.m. on Tuesday, September 19th, at the above mentioned premises, or in the office of the Nevada Board of Trade, Room 3, 43 Sierra Street, Reno, Nevada, at any time prior to the sale.

The undersigned reserves the right to reject any or all bids with or without reasons stated, and to hold any part of the assets from sale.

G. E. MEYERS, Assignee

Driver Forfeits Bail In Mishap

TAHOE CITY—Mrs. Alberta Rodriguez of Castro Valley forfeited \$50 bail which was posted with Justice of the Peace C. W. Vernon of Tahoe City on Tuesday. She was scheduled to appear in court on a traffic charge of negligence and improper backing several weeks ago when she allegedly knocked down Charles A. Swanson in front of the Tahoe City post office, painfully injuring his right leg. Swanson is still under the care of a doctor.

Luncheon Is Given By Local Women

A one o'clock luncheon and card party were given this afternoon in the dining room of Donner Summit Lodge, with Mesdames Tony Ghirard, B. J. Riordan, William Englehart Sr., and Robert Bick as hostesses of the affair.

Guests invited are Mesdames Nace Firpo, W. M. Englehart Jr., E. L. Loynd, C. B. White, R. N. Little, Dan Smith, C. Edmunds, Robert Leamon, Rose Kiehofer, Walter Barrett, Mary Zunino, Eugene Hardi, Edith Fay, Belle Williamson, V. C. Shattuck, H. T. Langille, Ann Tonini, M. S. Franzini, J. H. Bernard, R. A. Scott, A. P. Leitch, Elden Tonini, T. T. Buell, Anton Mahne, Walter Loynd, Robert Gifford, J. Archie, Jerry Lewis, Harold Gilson.

Building Permit—

J. C. Reifschneider, Reno, was given a permit to build a \$500 garage at Hirschdale.

From Portola—

Mr. and Mrs. Maxwell McGinn and daughter of Portola were visitors here last week.

STUDY MADE OF PUBLIC LAND IN TAHOE DISTRICT

AUBURN—Supervisors of Placer County have approved a contract with the Placer County Title Company to determine if certain lands in the Lake Tahoe area are public property or privately owned.

Supervisor J. B. Paolini of Roseville stated the survey will check every possible public outlet to Lake Tahoe, including several under controversy.

Supervisor Frank Paoli, whose district includes Kings Beach, declares the survey will include that area as well as that surrounding Homewood, on the west shore of the lake, where many complaints have been received by the supervisors regarding the blocking of roads regarded as public but claimed by private individuals.

PENAL AUTHORITY SPEAKER BEFORE ROTARY MEETING

Between 80 and 90 Rotarians and guests of Truckee, Brockway and Tahoe City heard an address on the penal system of California at Tahoe Inn Monday night. The speaker was Richard A. McGee, head of the department of corrections. In the course of his talk, it was stated that in some cases a penitentiary and even a school of correction was overcrowded 150 per cent. He traced the various steps of criminal inclinations of youth to that of the habitual hard boiled criminal. In so doing, he showed the relationship in coping with these crowded conditions.

The Truckee club was the host for the evening. Jim Gowing and Don Bowman, presidents of the Tahoe City and Brockway clubs respectively, assisted Jim Sherritt in conducting the joint tricity meeting.

Among the guests were State Senator Harold Johnson, Assemblyman Francis Lindsay, Bishop Noel Porter, Sacramento Rotary Secretary Edward Mulligan and Clyde Shurtleff, also of Sacramento.

Theodore Schlueter of Tahoe inducted Rev. A. A. Carmichael, Harold Steen and Byron Abbott into membership in the Truckee Club.

Monday, September 18, Ray Smith of Quincy will give an address on Rotary Community Service at the regular meeting at Donner Lake Lodge. Tom Buell is program chairman.

Nears Century Mark—

A. Bianchi, pioneer watch maker now living at Winters, is visiting friends here this week. Bianchi, who is 95 years young, when asked to what he attributed his longevity, said he watched his diet and that he has never given up, no matter what the circumstances seemed to be at the moment.

CARD OF THANKS

For the many kind words of sympathy and acts of kindness extended us during our recent bereavement, we take this means of expressing our sincere thanks. Mr. and Mrs. R. T. Henderson and family

At Gautsche Home—
Mr. and Mrs. Ted Gibson of Los Angeles have returned home after visiting Mr. and Mrs. William Gautsche at Gateway Park. Stewart here.

From Sacramento—
Mr. and Mrs. Harry Oliver and Mrs. M. Dunn were visiting here this week from Sacramento. Oliver was formerly employed by the SP here until his retirement.

Up North—
Mr. and Mrs. Ted Johnson are temporarily living in Portland, Ore., where they are working in a grocery store. They plan to return to Sparks, Nev., the latter part of this month. Both are in the best of health and want to be remembered to the "grand folks in Truckee."

Subscribe to the Sierra Sun!

Trio of Visitors—
Mr. and Mrs. J. K. White of San Francisco and Mrs. Julius Lichtenberger of Auburn have been guests of Mr. and Mrs. C. B. White. Mrs. Lichtenberger visited Reno for the first time in 18 years last week.

Subscribe to the Sierra Sun!

Snider to Sacramento—
Kenneth Snider, who is temporarily employed by Loynd's Drug Store, expects to leave for Sacramento where he will enter college next week.

Card Club Meets—
Mrs. Lauren Russell was hostess to members of her card club on Monday evening.

By Mary Lee Taylor

Oatmeal Jelly Cookies

Broadcast: September 16, 1950

1/4 cup sifted, all-purpose flour

1 teaspoon baking powder

1/4 teaspoon salt

1 cup rolled oats

1/2 cup soft shortening

Turn on oven; set at moderately slow (350°). Sift flour with baking powder and salt. Fold in oats. Put shortening and vanilla into bowl. Mix in sugar slowly. Beat in egg vigorously. Add about 1/2 of flour mixture; when smooth, stir in about half of milk. Continue until all flour and milk are used. Drop by heaping teaspoons on greased baking sheet, 2 inches apart. With back of teaspoon, press hollow in each. Fill each with 1/2 teasp. jelly. Bake 15 min., or until light brown. Makes 2 doz.

You Will Need:

Rolls Oats, Jelly, Segs

Milk, Brown Sugar and

All-purpose Flour.
